

PathPlanner News Letter

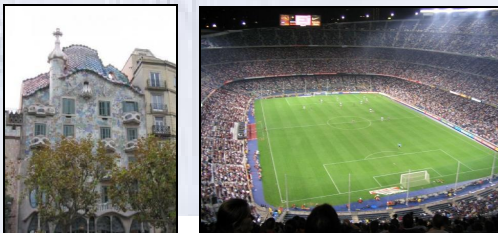

December 2006

Looking for A5 training in the US? Come to Melbourne, Florida !

The Florida Institute of Technology (FIT) in Melbourne, FL, will be hosting a PathPlanner A5 Training from March 5 through 8, 2007. Two and four day training options will be available, making it attractive for both new and experienced users. See our website www.simtra.com for descriptions. You may even get free surfing lessons! E-mail training@simtra.com for more information.

A5 Training in Barcelona, March '07

Do you like architecture, football, and a bustling city life? Barcelona is the place to be! Now you have the opportunity to visit this fabulous city and join the A5 Training, March 26-30, 2007. All training options are available. The training will be held in the same week as the Passenger Terminal Expo and students will be able to visit this event. E-mail training@simtra.com for more information.

PathPlanner R3 reseller in Sweden

Tekis AB, www.tekis.se, will assist Simtra in selling the popular vehicle turn simulation software in Sweden. Tekis AB is the biggest software software supplier to Swedish municipalities. Strängnäs city is the first client through this new collaboration.

PathPlanner success in India

India is a booming country with a fast growing aviation and road construction market. Simtra is represented in this dynamic environment by Eclipse Technologies Pvt. Ltd. Below picture shows Director K.P. Albin in action during the recently held Aerodrome India 2006 in New Delhi. PathPlanner is already in use at Airports Authority of India and Delhi International Airport Ltd (DIAL).

Recent software deliveries

Recently PathPlanner A5 software was delivered to the airports of New Delhi (see above), Larnaca on Cyprus and Oslo, Norway, and the consulting firms Deerns (The Netherlands), Obermeyer (Germany), and TKDA (USA). Additional or new PathPlanner R3 licenses were amongst others ordered by the consulting firms Carl Bro from Sweden, G84, The Netherlands, and Parsons Brinckerhoff, USA.

Merry Christmas & Happy New Year

We at Simtra would like to thank you for your interest, support and feedback during 2006. We wish you a very Merry Christmas and a Happy, Prosperous and Productive New Year. We look forward to continue our relationship next year.
